25X1

Deputy to the DCI for the Intelligence Community

SUBJECT : CFI Program Reviews

1. Attached is a brief outline which is an attempt to size the general thrust and scope of the presentations for the CFI program reviews. Hopefully, this will standardize the presentations to some extent and, at the same time, ensure the CFI is provided the information necessary to make the tough decisions it will be facing.

2. I have attached copies for distribution to each of the Defense program managers.
